

# Source of All Knowledge!

#3175 240929A

wds1710

Ps. 90:2 *Before the mts were brought forth*  
Exo. 15:26 *If we diligently hearken to the voice*  
Col. 1:16 *For by him were all things created*  
Ps. 139:14 *for I am fearfully and wonderfully*  
2 Cor. 4:4 *the god of this world hath blinded*  
Exo. 3:14 *He said unto Moses, I AM THAT I AM:*  
Jn. 8:58 *Before Abraham was, I am*  
Rom. 1:16 *I am not ashamed of the gospel*

- 1 God is the *source* of all knowledge and that should increase our *faith* in Him. AV Genesis 1:1 “*In the beginning God created the heaven and the earth.*”
- 2 The verse does not attempt to prove His existence or time since He is outside of time and is eternal.
- 3 We must always build our thinking on the Word of the One who has all the answers—the God in whom we trust.
- 4 God has unlimited knowledge—*omniscient*—and is infinitely *intelligent*. AV Psalm 90:2 “*Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting to everlasting, thou art God.*”
- 5 Images of stone tools on cave walls show signs of knowledge. These tools did *not* design themselves—they were produced by someone.

6 The Great Wall of China; the US Capitol building; or the Sydney Opera House tells us that it took planning, design, and work to complete them.

7 No one ever thinks an *explosion formed* such structures because an explosion destroys things. No one *suggests* that automobiles and computers were products of *time* and *random chance*. Every design has a designer who planned and assembled it.

8 An anti-creationist stated this: quote *The human brain is the most complex and orderly arrangement of matter in the universe* unquote.

9 It is more complex than a supercomputer. Another says: *If human knowledge designed the computer, then the human brain is also the product of intelligent design.*

10 When we believe that the living God of the universe has infinite power, love, mercy, wisdom, and intelligence—and that He created the human body with all its complexity, we can *trust* Him in faith to *heal* whatever is *wrong*.

11 We go to *God in prayer* when our body is *out of repair*.

12 Exodus 15:26 “*If thou wilt diligently hearken to the voice of the LORD thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the LORD that healeth thee.*”

13 A non-Christian scientist with a doctorate in molecular biology said: quote *Everywhere we look, to whatever depth we look, we find an elegance and ingenuity of an absolute excelling quality, which so lessens the idea of chance. In biological research, an ever-increasing level of design and complexity is being revealed* unquote.

14 *Design* implies a *designer*! The designs we see everywhere is totally consistent with the Bible’s explanation of creation.

15 AV Colossians 1:16 “*For by him were all things created, that are in heaven, and that are in earth, visible and invisible.*”

16 Scientists have to admit that the complexity of human life is something that could *never* have come about by random chance—it *had* to be *designed* by Someone of *Infinite Intelligence*—AV Psalm 139:14 “*I will praise thee; for I am fearfully and wonderfully made.*”

17 With all the evidence, the world still *refuses* to believe in God, and still *refuses* to accept His Son to save their soul—even though it would enable them to escape eternal flames and suffering. It is the *worst* fate imaginable!

18 That *refusal* to believe God and their *continued rebellion* against His plan of life, brings on the Tribulation. WEY Romans 1:19 “*Because what may be known about [God] is plain to their inmost consciousness; for He Himself has made it plain to them.*”

19 Human life is built on information contained in the DNA code which makes up the genes of life.

20 If scientists *say* that natural selection and mutations are the basic *mechanism* of the evolutionary process, then they must *show* that these processes *produce* the information *needed* for the design of living things—but they *cannot* show this!

21 Scientists agree that natural selection is a process that can be *observed*, but natural selection operates only on the *information* that is already *contained* in the genes—it does *not* produce *new* information! All animals and plants produce after *its own kind*.

22 *Variation* in living things is observable, but *one kind* has never been observed to *change* into a totally *different* kind.

23 Without intelligent input to *increase* information, evolution’s natural selection does *not* work.

**24** Six million parts make up a 747 jetliner, but not one part can fly by itself—they all must be assembled as a completed machine to fly.

**25** Within *one* human cell there are *thousands* of *biochemical parts* and all parts must be in place for them to function.

**26** The more we know about the workings of life, the more we *see* that the complex *machines* of life can only be created by God.

**27** Jesus said He was—AV **John 3:19** “*That light is come into the world, and men loved darkness rather than light, because their deeds were evil.*”

**28** Any knowledge or wisdom worth having will ultimately come from God. AV **Psalms 111:10** “*The fear of the LORD is the beginning of wisdom.*” AV **Proverbs 1:7** “*The fear of the LORD is the beginning of knowledge.*”

**29** In the DNA of a cell, the *order* of its molecules would be meaningless without a language system that makes the order meaningful. It was all designed and created by God.

**30** The system that reads the *order* of the molecules in the DNA is another *machine* that must be in *existence* for life to work!

**31** *Information* cannot arise from *disorder* and by *chance*—it takes *greater* information to *produce* lesser information.

**32** A code system is always the result of a mental process from a knowledgeable individual. It takes a thinking person to program or write code.

**33** There is no known law of nature; no known process; and no known sequence of events which can *cause* information to originate by *itself* in matter.

**34** The huge amount of information in living things must have come from the *Source of All Knowledge!*—and one that is far *superior* to ours.

**35** AV **Genesis 1:1** “*In the beginning God created the heaven and the earth,*” and He is *not* bound by limitations of time or space.

**36** A scientist says: *A God capable of intelligently designing something as complex and organized as the DNA code, must be as complex, and organized as that machine itself—and even more so since He can listen to prayers and forgive our sins* unquote.

**37** What is seen in *God’s world* agrees with what is read in *God’s Word*—but unbelievers will *not* accept the plan from the living God of the Bible.

**38** AV **2 Corinthians 4:4** “*In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.*”

**39** It is God who *created* us so He *also owns* us. He is the only One who has the right to say how we are to *live* our life; Only He can say what *attitudes* we are to keep; and He alone can tell us in *whom* we are to place our trust—He *only* has that right!

**40** God’s Word says that we all began *life* in *rebellion* against Him—and because of this rebellion, we are sentenced to an eternal death.

**41** He also informs us that we will live on forever after this life—either *with* Him in Paradise or *without* Him in Hell.

**42** Since God is *love*, He provides a way to *deliver* us from our rebellion and our sin and from the death penalty.

**43** Anyone who comes to Him in faith and in true repentance for their sins will be forgiven, cleansed in heart, and be given an eternal home with Him in Heaven.

**44** AV **1 John 1:9** “*If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.*”

**45** God made us in His image and He enables us to reason logically. The unbeliever must use *biblical* ideas in order to *use* science and reason—

even though they *deny* that the Bible is true or that God exists.

**46** God AV **Exodus 3:14** “*said unto Moses, I AM THAT I AM: and he said, Thus shalt thou say unto the children of Israel, I AM hath sent me unto you.*”

**47** AV **Isaiah 44:6** “*I am the first, and I am the last; and beside me there is no God.*”

**48** Jesus adds AV **John 8:58** “*Before Abraham was, I am.*”

**49** After ascending into Heaven, He says AV **Revelation 1:18** “*I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death.*”

**50** If He has the *keys*, then only He can let us into Paradise.

**51** The Holy Spirit must open our eyes to see that our faith is *not* blind faith but *defensible* faith.

**52** NKJV **Romans 1:20** “*For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse.*”

**53** The apostle said NKJV **Romans 1:16** “*I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone who believes.*”

**54** Eternal life through a trusting faith in the atoning sacrifice of Christ is the *key* and the *choice*—but the most *important choice* we will ever make!
